2011 M 211 The Indiana University Math Department is proud to announce that it will again be offering an online Version of Calculus I (MATH-M 211) for credit during the first Summer Session of 2016. Students not currently enrolled at IU full time may register for the class by first enrolling as a non-degree student through the Office of Admissions. All exams will be taken through pre-approved proctoring arrangements (local faculty proctoring, certain testing centers, etc.) in order to eliminate the need to travel back and forth to campus. Anyone with questions regarding the course may contact the Director of Undergrad Shumer, Kevin Pilgrim, at pilgrim@indiana.edu

Though a faculty member will be engaged as your instructor, online courses require students to be especially conscientious and responsible about completing assignments and staying on track.

Online courses are not easier than residential courses and require just as much time and effort from students. Online participation is required the week prior to the semester, but may not add the class after Week 1 no exceptions.

Students must have a computer with a working microphone and webcam. A private location and reliable internet connection with a broadband speed of at least 5mbps is required for quizzes and exams.
