Note: eDrop is available to all currently enrolled IU Bloomington students, with the exceptions of students in the Maurer School of Law and Kelley Direct. For ease in processing an eDrop request, the reviewer will receive an e-mail stating that a student has requested to drop a course. The reviewer may click on the link provided in the e-mail and follow the steps to allow the student to drop. However, if the reviewer has multiple eDrop requests to approve, it is more expedient to begin with the Action List in OneStart.

**After the reviewer approves an eDrop, it will route automatically to the appropriate official (advisors, department course authorities, school deans, et al.) for approval.*
