Accepting the Conditions

Please review the following conditions carefully:

- I recognize that any course drop/add activity could have an impact on my financial aid awards and eligibility (for this term and for the future). Any possible implications have been considered and/or discussed with a financial aid advisor and I wish to proceed. For more information, click on [Office of Student Financial Assistance](#).
- I understand that dropping below full time status could have implications for medical insurance and other potential benefits and wish to proceed. For more information, please see [Full-Time Student Status](#).
- I understand and have taken into account the amount of refund I may or may not receive and wish to proceed. For more information, contact the [Office of the Bursar](#).

NOTE: Submitting an eDrop request is not a confirmation that the course has been dropped from your schedule. Until you receive an email confirming the success of your eDrop request, you are still enrolled in the class and you should continue to attend. Dropping classes could result in reduction or repayment of financial aid. Additional tuition charges may apply. Please refer questions about fee payment to the Office of the Bursar.

To withdraw from all courses during Fall or Spring terms, please consult your academic advisor or contact the Student Advocates office at (812) 855-0761. Complete withdrawal during Summer terms can be done online.
